19 **STIPULATION AND ORDER**
20 **MODIFYING DEFENDANT'S**
21 **PRETRIAL RELEASE CONDITIONS**

22 Defendant William Joseph Laughren, Jr. is currently living in a sober living environment
23 ("SLE") as required by the conditions of his supervised release. Further he is subject to a cell
24 phone monitoring condition. The SLE has been on lockdown due to COVID-19 outbreaks.
25 Defendant requests that he be allowed to reside at his mother's house in Concord, California and
26 requests the removal the cellphone monitoring condition. Mr. Laughren has provided his pretrial
27 services officer with the location and contact information for Mr. Laughern's mother. Pretrial
28 services does not object to the modifications and reports that Mr. Laughren has been testing clean.
The government defers to pretrial services and, therefore, the parties stipulate that Mr. Laughren's
conditions of pretrial release be modified as follows: (1) Mr. Laughren be allowed to reside with
his mother in Concord, California (Mr. Laughren will continue to participate in out-patient

1 treatment and drug testing), and (2) the cell phone monitoring condition be removed.
